Shopping, Dining and More

OCALA, FLA. – Circle Square Commons at On Top of the World Communities will provide dining, shopping and service-oriented businesses to meet the needs of residents in this 12,972-acre master-planned community.

This commercial center is designed with architecture reminiscent of small-town America, and will cater to nearby residents as well as visitors from the greater Ocala area. Circle Square Commons draws hundreds of OTOW residents each week for planned social activities, health and wellness, entertainment, education and dining.

At the heart of Circle Square Commons is The Town Square, where there is live entertainment Friday and Saturday evenings. Moreover, this is where Marion County's oldest farmer's market sets up shop every week. Other strong draws to the area include:

- The Ranch Fitness Center and Spa, offering a state-of-the-art fitness center and world-class spa
- the Circle Square Cultural Center, Ocala's largest entertainment venue
- Master the Possibilities Education Center with 3,500 students, 600 classes and about 17,000 enrollments this year.
